*The StrengthsFinder assessment has been used by over 10 millions of people around the world, including individuals, teams, and organizations. It is based on the idea that focusing on our strengths and developing them further can be more productive and fulfilling than trying to fix our weaknesses. The assessment is often used in coaching, leadership development, and team-building contexts to help individuals and groups work more effectively together by understanding and leveraging their strengths. Among the corporations that use StrengthsFinder, you can find brands such as: Microsoft, Deloitte, Marriott International, Cisco, Procter & Gamble, Google and many more.

** "Our studies indicate that people who do have the opportunity of focus on their strengths every day are six times as likely to be engaged in their jobs and more than three times as likely to report having an excellent quality of life in general."
